Open Development Circle

**Are you seeking to deepen your awareness & connection with Spirit?
Are you curious about your psychic abilities?
Do you want to discover more about who you really are?**

Join us in this monthly development circle and you will learn how to develop your mental faculties and connect with Spirit. In a safe and supportive environment you will be encouraged to go deeper and work with your psychic senses. In doing so you may discover perhaps a talent for inspirational speaking, inspirational writing and be surprised by your psychic or mediumistic abilities.

Based on your dedication and progress in this monthly class and your own desire to work with Spirit you may be selected for our regular weekly development circles.

Join us: **On the second Saturday of each month, 9:45 am – 1pm**

Note: Doors are closed at 10 am sharp to ensure attendees are not disturbed
