### **Inspirational Words from Spirit**

Like a flower, growing and unfolding, your heart is opening to the love and beauty that surrounds you.

Listen carefully, spend time in the quiet so you can hear the words of wisdom being given to you from the angelic realms. For these words carry the key to help unlock your heart centre, and all the beauty that is held within. Once unlocked, the possibilities and feelings of love are endless. Your door to the true essence of life will be open and not only will you see and feel this but so will all the other people around you.

We are here to walk this road beside you. We see your plights, we hear your pain, we walk beside you through life's daily experiences.

Please know this and know that we are there. Ask whenever you need help and guidance and we will respond. It may be in subtle ways so be open to seeing your prayers answered in many different ways. Know that you are supported and loved.
